MARCH 2017

Dear Friends:

It says in ECCLESIASTES 1: 4 "One generation passes away and another generation comes".

As I begin my 35th year of full time ministry I am wondering about the next generation? Who will come after us when we are gone? Who will rise up to take our place?

I have been thinking and praying about **mentors**? I believe a **mentor** is a **trusted counselor, guide, tutor or a coach** and these are a few examples:

When I considered the Word, there were many examples of **mentors**. The one I really liked was that of **Elijah** and **Elisha**.

Elijah was preparing Elisha to succeed him as a prophet in Israel. Elisha was like a diamond in the rough, he needed polishing.

One who is being mentored must wait patiently until the appointed time to pick up the mantle left behind by others.

I will be preaching about **mentors** in this season.

To all our faithful friends, **thank you so much for your faithful support in prayer and finances! We are so grateful!!**

We are doing counseling and prayer ministry at home, when we are here.

This has been a time of waiting, praying and listening!

If you would like Kay and I to come to your church, Aglow, seminar, retreat, or prayer meeting, please let us know. We would have dates available and would like to come.

After 9 months of searching for a new church, we have found a New Testament Church called Valley View Church. The Pastor is Richard Curtis and his wife Linda. They have received us with love and are open to our gifts and our ministry. We look forward to having a good relationship with them and the church!

LOOKING AHEAD IN 2017.....
