JUNE – JULY 2017

Dear Friends:

In reading and praying and preparing for our next trip to North Dakota and Minnesota I was looking at this scripture.

PSALM 45:17 "I will make your name to be remembered in all generations".

I love this verse and think that is what I have been called to do for the last 35 years.

I believe that God has called me for *such a time as this!* To make His name to be remembered in all generations that come after me!

In the last 35 years, I have walked through many learning experiences and have walked through many trials and testing's.

We have learned to trust Him when we cannot feel anything or see anything. We have had to learn to walk by Faith and wait on Him.

God is calling us to raise up generations coming after us. To reach the last harvest of souls until He comes again.

There needs to be a blending and uniting of the generations so there can be healing.

We in the older generations are to begin to pray for God to bring us someone young that we can mentor and teach from our experience.

We love the call from generation to generation.

To all my friends who have so faithfully supported us in both prayer and finances I am so very thankful. God is faithful to meet our needs.

We have been in a place of waiting and praying and hearing what the next place is for us.

I will be preaching at our new church Valley View on June 25th. We are excited to get to share with the people.

Had a wonderful time in Dakota City, Nebraska ministering on Building Bridges, uniting hearts, standing together in this generation. The preaching and ministry were very well received.

Thank you for your continued prayer and support!

UNTIL HE COMES,

LOOKING AHEAD.....
