

NOVEMBER AND DECEMBER 2016

“TO GOD BE THE GLORY GREAT THINGS HE HAS DONE”!

Dear Friends & Prayer Warriors:

Thank you so much for standing with us in prayer!

We are so grateful for your faithful support. We could not do what God has called us to do without your faithful giving!

We are so excited about **Two new seminars that Lois, Kay and Mandy will be doing in 2017!**

- 1) **BUILDING BRIDGES, UNITING HEARTS, REACHING FROM GENERATION TO GENERATION.** We will fight, we will pray, we will stand!
- 2) **BATTLE SCARS OF THE HEART, AWAKENING YOUR WARRIOR WITHIN.** God goes after the battle wounds of our hearts, He is calling us to rise up and take our Place in His chosen army.
- 3) **BEAUTIFULLY UNDONE!** We are living proof that no matter what stage or season **You are in God will unleash healing in your heart and bring hope causing you to RAISE UP to be the masterpiece God has created you to be.**

We are excited to launch these new seminars starting in January 2017. We strongly believe that as God blends the wisdom from one generation with the passion from another a **fresh fire** will be ignited bringing forth an **immoveable force of faith!**

We are so blessed to have **Mandy Nellans** with us for these seminars. She is young and filled with passion for the lost, she has a beautiful gift and we thank you for receiving her with us.

Our new website is up and running. Please look at www.loisbakerministries.com. New things will be added in December.

We have had a busy summer and fall season.

The Aglow Regional Rally in Cincinnati, Ohio was refreshing. We are doing **Game changers a leadership study from Aglow International.** It has been excellent and we love our teacher Tina Marie Brown.

We did a **Beautifully Undone Seminar at Shiloh Tabernacle in Muskegon, Michigan.** It was powerful and many lives were touched and changed as we ministered God's love to each one. They loved Mandy and the fresh touch that she brings to the meetings.

We had many other meetings, so thankful that we have seen our prophetic gifts at work to touch the world with God's love and healing.

LOOKING AHEAD.....
